

THE LANE FAMILY

Missionaries to Honduras

Dear Pastor and Prayer Supporter,

Recent Open Doors: We are so grateful for God's continued faithfulness in opening doors of opportunity for us in ministry, both here and abroad. The past couple of months have been incredibly busy as we continue to work on scheduling new meetings at local churches and connecting with pastors. We are so thankful for your ongoing prayers and support as we seek God's direction in the coming months.

A few weeks ago, I had the privilege of joining a team from Faith Baptist Church to travel to León, Mexico, for a Pastors' Training Conference. It was a blessing to teach several sessions and to have the opportunity to communicate more in Spanish with the attendees. The response from the pastors and leaders was truly encouraging, and we are excited about the possibility of returning next year, Lord willing, to continue seeing the impact of the conference year after year. Please continue to pray for the pastors and churches in Mexico, that the seeds planted during the conference would bear lasting fruit.

In Honduras, our two employees, Rigo and Enger, continue to accomplish much in our absence. Through daily communication, videos, and pictures, we're able to stay updated on their progress. Recently, several pieces of landscaping equipment have completely stopped working, and the need for new supplies has become urgent. We are putting forth significant efforts to secure funds for this critical need, and we are already seeing God's hand at work in providing for these necessities. Please continue to pray for God's provision as we trust in His timing and guidance.

While here at our home church, we are still very busy with various aspects of the ministry whether in the music, construction, landscaping, Christian school, etc. Our oldest son is nearing the completion of his EMT schooling, and he has learned so much useful and practical medical information that will greatly help us while on the mission field.

Upcoming Projects/Events: We are so exciting to share with you a recent blessing. Through unexpected circumstances, we received clear direction from the Lord to move my mother from Texas to Washington. God provided in a remarkable way, my sister and her husband were able to purchase a trailer for her to live in. Within a week, she packed up and is now fully settled and living on the property of the church. This move has been an immense blessing for our family, and we are thankful for the provision that God made it possible.

In the coming weeks, we will be focusing on securing the necessary funds for the landscaping equipment in Honduras, scheduling more meetings, and continuing with our Spanish classes. We appreciate your prayers and support as we labor together in the ministry, and we are excited to see how God will continue to provide and bless in the days ahead.

Thank you again for your faithful partnership in prayer and support. We are truly blessed to have you laboring alongside our family as we endeavor to do the Lord's work.

For His Glory,
The Lane Family
