

THE LANE FAMILY

Missionaries to Honduras

Dear Pastor and Prayer Supporter,

Recent Open Doors:

In the wake of the 2024 International Pastors' Training Conference, our ministry is still receiving reports of encouragement and gratitude from pastors who were able to attend this year. Even as we continue gathering support here, Rigo and Enyer continue construction and development on the conference property in our absence. During the short time in which our family has been stateside, God has already provided many open doors of opportunity. In just a matter of a few weeks, our calendar is already filling up with meetings with supporting churches, as well as brand-new churches all across the US. This is absolutely the hand of God's blessing on our family, and we continue to look for Him for provision and leading during this time of uncertainty. We were recently privileged to attend a missions conference in Arkansas, and by God's blessing and the graciousness of the church, we were able to partner with them for future ministry endeavors.

Upcoming Projects/Events:

Unexpected doors continue to open by the Lord's moving, and by His grace we will continue to see our Sundays and Wednesdays filled with meetings for potential partnerships. We are still ardently seeking for ministries who God has moved to donate specifically towards purchasing heavy construction equipment, We are so thankful that many churches have gotten involved, and glory to God a total of \$28,000 has been raised so far. But we are still in need of about \$22,000 to cover the cost of the equipment and container to ship. Please be in prayer with our family as we seek His guidance and ask that God moves the right people at the right time to get involved. We are incredibly grateful to all the churches that already contributed as your support makes all the effectual difference in our ministry. Please keep us in your prayers as we move forward. Thank you for your unwavering support, and we're excited to see what God holds in the future!

We ask that you take a short few minutes to join us as we review how God moved in this year's July Pastors' Conference! We are so grateful to all of you who took part in this year's conference through prayers as well as the financial support! <https://www.lanestohonduras.com/video-updates>
