

THE LANE FAMILY

Missionaries to Honduras

Dear Pastor and Prayer Supporter,

Recent Open Doors:

We are so thankful for the continued open doors that the Lord provides for us each and every week. Through preaching, teaching, music, as well as the many opportunities to pass out tracts and share the gospel, we are thankful that God has “counted *us* faithful, putting *us* into the ministry.” Thank you for your continued support and many faithful prayers on our behalf. Please pray with us as we continue to seek God’s perfect will for our family and the guidance of the Holy Spirit as new doors open up.

Upcoming Projects/Events:

Preparations for the upcoming July pastors’ conference have continued, and each week provides fresh projects for us to work on. Thanks to our two employees handling repairs and grounds maintenance, we are able to turn our focus in the direction of other developments. We are still praying that the Lord provides new and unexpected outreach opportunities and that we continue to be an impactful witness and encouragement to the individuals the Lord brings across our path.

We are also so excited to update you the Sponsor-a-Pastor project. Since our last prayer letter, over ten sponsorships have been purchased by individuals and church ministries alike. This project is vital to our conference as we have a myriad of other expenses to cover, from shipping containers of Scriptural resources and import tax to travel fares for the conference speakers to printing the in-depth workbooks and training materials. As many of the attendees are hard-pressed for funds and are compelled to pay border fees, we do not wish to burden them with additional expenses.

If you have not heard about this project, here is a brief synopsis. For \$100, one pastor’s expenses will be completely covered for the International Pastors’ Conference. This cost will include lodging, food, utilities, and many materials and evangelistic resources. For this upcoming 2024 conference, we are expecting an average of 200 pastors and men of God to attend. This leaves nearly 190 sponsorships left to fill. We ask that you prayerfully consider this project for your personal or church missions outreach.

In the upcoming weeks, we will be getting our brand-new website online, filled with information, resources, recent updates, and pictures of our ministry. This will also give you access to any video updates that we put together. We currently have a video review over 2023 covering all of our international endeavors that we are so excited to share with you, and it too will be available on our new website. Thank you so much for your continued faithfulness and constant prayer support. We are so blessed to have prayer warriors alongside our family and look forward to being able to update you on future ministry opportunities.

For His Glory,
The Lane Family
