

THE LANE FAMILY

Missionaries to Honduras

Dear Pastor and Prayer Supporter,

Recent Open Doors:

We continue to rejoice in the Lord's faithfulness as He opens doors of opportunity both here in the States and abroad. Although we are currently away from Honduras, the work presses on, and we are thankful for how God is sustaining and growing the ministry during this time.

Our two faithful workers, Rigo and Enger, continue to carry out the basic upkeep of the conference property, keeping the grounds maintained and cared for. We are grateful for their consistency and heart for the work. At the same time, the list of future developments continues to grow, and we are anxious to return and resume hands-on involvement with the many projects ahead. While we remain here in the States, we are doing all we can to raise support for various ministry needs.

One exciting update is our ongoing efforts toward purchasing a \$30,000 backhoe, which would be a tremendous asset to the property development and maintenance in Honduras. So far, the Lord has provided \$9,000 toward this project, and we are continuing to trust Him for the remainder. Please pray with us as we seek His provision in this critical area to raise the rest of the funds, as well as provision to cover the cost for shipping and transportation..

God has given us great opportunities to visit many new churches and create impactful connections, in both missions conferences as well as missions emphasis Sundays. It has been a special blessing to have multiple opportunities for my children and wife to share testimonies during our visits to supporting churches. During our stay here in the Northwest, we have centralized our furlough at our home church, which has allowed our family, when we are not scheduled at any churches, to be involved in many ways. From music specials and orchestra, to preaching and teaching, to tutoring students in instruments, the opportunities to serve have been abundant and rewarding. We are still continuing in our language learning efforts, and little by little we are able to see an improvement in our abilities to understand and speak Spanish.

Upcoming Projects/Events:

In the weeks ahead, we will continue traveling to schedule meetings and conferences at new churches, as well as update our supporting churches as the Lord leads. Even as we remain stateside for a season, we are encouraged to see the ministry continuing to expand—both physically in Honduras and in the personal ministry opportunities God is growing within our family.

Thank you so much for your continued prayers and faithful support. It is because of your partnership that we are able to press forward in this work. We are truly grateful for each of you and excited to see what the Lord will do in the coming months.

For His Glory,
The Lane Family
