

THE LANE FAMILY

Missionaries to Honduras

Dear Pastor and Prayer Supporter,

Recent Open Doors:

Projects and repairs have continued in preparation for our annual pastors' training conference. Over the past month since we have announced the Sponsor-a-Pastor program, we have received an amazing response in support of the donation opportunity. Currently, we have 35 pastors who are sponsored for this coming 2024 conference! We are so grateful to those individuals and churches who decided to be involved in our program. However, we do have the remaining number of 165 pastors who need sponsorship within the next three months before the July meeting. If you have not yet gotten involved, we ask that you please prayerfully consider doing so. This program is an easy way to become personally connected with our ministry, with a direct impact on a local pastor's life. As previously mentioned, this project is a \$100 donation which will cover one pastor's stay and training materials over the three-day meeting. As financially hard-pressed as some of the attendees are, we consider it our privilege to be able to make it completely free of charge to any visiting pastors. However, in view of the hefty cost of the many other expenses which make this conference possible, we ask that you consider taking part in our program. The support and prayer of our brothers and sisters in Christ are what enables our ministry to reach more souls with the gospel, and to further impact the churches, communities, and countries around us.

Upcoming Projects/Events:

We are excited to announce that our new website is now available to you. It covers a wide variety of sources and content, from ministry pictures of our latest endeavors, to our most recent prayer letters, to more ways you can get involved, to update and project videos. Please consider visiting us at our website to learn more about us as a family and our ministry. Also, if you would like PDF printable form of our prayer letter, you can find that on the updates page of our website: <https://www.lanestohonduras.com/>. If you have any further questions or wish to be involved, please do not hesitate to contact us.

On the main page of our website, we have a review video covering the major highlights of 2023. We apologize for the delay in making this available to you, but as we were finally able to work through the many technical difficulties along the way, we hope that you take just a few minutes out of your day to join us as we remember everything that the Lord so graciously enabled our family to be a part of this past year. Even now, we are taken aback by the amazing international doors of opportunity He guided our family through in 2023.

Thank you for all your prayers and support towards our ministry at the conference center. We really do believe it is so important to touch the lives of these men of God, to encourage them so they in turn can better encourage their families, cities, and ministries. As our pastor says, if we can reach a pastor, he can reach his people. We so appreciate all you do to support us, through giving and through faithfulness in prayer. We pray that the Lord continued to work in His incredible ways through His people to further the work of the gospel across the globe.

For His Glory,
The Lane Family
